

COOK ISLANDS ADVANCE NOTICE OF ARRIVAL

PERIOD OF ADVANCE NOTICE

This form, including supporting documentation, must be provided not less than 24 hours before the estimated time of arrival of the Vessel in the Cook Islands. On arrival in Cook Islands, craft must proceed to a nominated Biosecurity Point of Entry, unless authorised by the Director of Biosecurity, or compelled by navigation-related requirements or accident or stress of weather or other necessity, to arrive elsewhere. If the current status of the information contained in this form (including supporting information) changes at any time officials must be notified immediately. Penalties for knowingly giving false or misleading information or failing to provide information required by law include fines or imprisonment.
