**CONDITIONS FOR THE IMPORTATION OF  
DOGS FROM AUSTRALIA TO THE COOK ISLANDS**

1. A Permit to Import animals from Australia to the Cook Islands must be obtained from the Director of Biosecurity Service, Ministry of Agriculture.
2. Each animal must be accompanied by a signed Statutory Declaration from the exporter detailed in Appendix 1 (attached).
3. Each animal must be accompanied by the International Animal Health Certificate detailed in Appendix 2, (attached) signed by an official veterinary officer of the exporting country.
4. Before unloading on arrival the documents required in sections 1 and 2 above must be presented to a Biosecurity Officer of the Ministry of Agriculture, Cook Islands.
5. The animal must be consigned to the Cook Islands by air only as manifested cargo. In the event the animal is to transit through another country, the dog must not be off loaded.
6. The actual date of embarkation and the Airline/Flight number must be advised to the Biosecurity Officer, Ministry of Agriculture, Cook Islands. (Telephone (682)28710, fax (682)21881), email: [moa.biosecurity@cookislands.gov.ck](mailto:moa.biosecurity@cookislands.gov.ck) at the earliest opportunity and at least one working day before shipping.
7. The animal must be transported in accordance with the Recommendations for the Transport of Live Animals of the Office International des Epizooties (OIE) and the International Air Transport Association (IATA) Live Animal Regulations as appropriate. Trans-shipment or offloading is permissible only in New Zealand. In such circumstances the animals must remain in their cages and within the confines of the airport.
8. The animal will be inspected and treated as necessary on arrival in the Cook Islands by a Biosecurity Officer and may not leave the quarantine area of the port of entry until a Permit to Land has been issued.
9. Any animal imported into the Cook Islands in contravention of any conditions of the Permit to Land (of which these conditions form a part) will be seized and may be destroyed or re-exported at the owner's expense.
10. The Import Permit is valid only for the importation/s specified. Any change in details or circumstances must be notified immediately to the Director of Biosecurity, who may endorse the Permit to Land accordingly.
11. This Import Permit may be cancelled at any time before shipment should the animal health and quarantine status of the exporting country change.

12. The following are Police Department requirements in regard to the importation of dogs into the Cook Islands as required by the Dogs Registration Amendment Act 1991.

(i) All dogs imported into the Cook Islands also require a permit from the Police

(ii) The importation of the following breeds of dogs are prohibited:

Doberman

Pitt Bull Terrier

Bull Dogs

Rottweiler, or any other breed of dog that the Police may specify from time to time.

(iii) All dogs imported into the Cook Islands must be **neutered** or **spayed**.

(iv) Dogs are also required to be registered with the Police on arrival.

Part 12 of this schedule has been provided as a guide only. Importers are to consult the Police as the Ministry of Agriculture will not be liable for any errors made by the importer in regard to this part of this schedule.
