**CONDITIONS FOR THE IMPORTATION OF CATS FROM NEW
ZEALAND TO THE COOK ISLANDS**

1. A Permit to Import animal (s) from New Zealand to the Cook Islands must be obtained from the Director of Biosecurity Service, Ministry of Agriculture.
2. Each animal must be accompanied by a signed Statutory Declaration from the exporter detailed in Appendix 1 (attached).
3. Each animal must be accompanied by the International Animal Health Certificate detailed in Appendix 2, (attached) signed by an official veterinary officer of the exporting country.
4. Before unloading on arrival the documents required in sections 1 and 2 above must be presented to a Biosecurity Officer of the Ministry of Agriculture, Cook Islands.
5. The animal must be consigned to the Cook Islands by air as manifested cargo.
6. The actual date of embarkation and the Airline/Flight number must be advised to a Biosecurity Officer, Ministry of Agriculture, Cook Islands. Telephone (682) 28710, or E-mail: moa.biosecurity@cookislands.gov.ck at the earliest opportunity and at least one working day before shipping.
7. The animals must be transported in accordance with the Recommendations for the Transport of Live Animals of the Office International des Epizooties (OIE) and the International Air Transport Association (IATA) Live Animal Regulations as appropriate.
8. The animal will be inspected and treated as necessary on arrival in the Cook Islands by a Biosecurity Officer and may not leave the Biosecurity quarantine area of the port of entry until a Permit to Land has been issued.
9. Any animal imported into the Cook Islands in contravention of any conditions of the Import Permit (of which these conditions form a part) will be seized and may be destroyed or re-exported at the owner's expense.
10. The Import Permit is not transferable and is valid only for the importation/s specified. Any change in details or circumstances must be notified immediately to the Director of Biosecurity Service who may endorse the Import Permit accordingly.
11. This Import Permit may be cancelled at any time before shipment should the animal health and quarantine status of the exporting country change.
